*Luncheon Focuses on the Long Beach Disaster Response Plan***

(Long Beach, CA—February 5, 2010...) Brownstone Security will sponsor BOMA's South Bay/Long Beach regional education luncheon, "What you need to know for the next emergency." This luncheon will focus on the Long Beach Disaster Response Plan, which will control all movement of traffic in and out of the area in the event of a large disaster. This luncheon will also advise local businesses on how they will be affected by these emergency preparations. This will be the first BOMA event that Brownstone Security sponsors.

Business development manager Shane Pryor says, "We are very excited to sponsor this educational event. We support Long Beach's disaster recovery plans, and are proud to help promote this event to the South Bay community. We are also excited to be part of local BOMA events, as since we joined the association we have been active on a couple different committees and councils."

The event will take place on February 9, 2010 from 11:30 a.m. to 1:30 p.m. at Hotel Maya in Long Beach. The speakers will be Casey Chel, manager of the disaster management bureau of the Long Beach Fire Department, and Joshua Johnson, CERT coordinator of the Long Beach Fire Department.
